September 8, 2019, by Tim Bojarski, for the Goshen Yearling Sale

Middletown, NY – A large crowd of 1,500 eager buyers convened at the Mark Ford Training Center on Sunday (September 8) to examine, evaluate and purchase the 107 available Standardbred yearlings up for sale at the annual Goshen Yearling Sale. Many of these stake eligible horses will be competing in Sire Stake programs in New York and Pennsylvania and those attending reflected many connections from those racing jurisdictions.

The total gross of the sale was in excess \$1.6 million, up 15 percent from last year's total. The 52 colts and 55 fillies exchanged hands for a sales average of \$14,964. Thirty seven pacing colts averaged \$20,681 each, 38 pacing fillies averaged \$12,395 each, 15 trotting colts averaged \$10,33 each and 17 trotting fillies brought an average of \$12,353 each.

Cameo Hills Farm had a banner day, selling the top three horses in the sale and came away with the highest average sale price for their 14-horse consignment (\$41,214).

"It was a perfect day for this sale and the large and enthusiastic crowd of buyers were bidding strong all day," said Mark Ford, president of the Goshen Standardbred Horse Sales Co. "Everyone there was blissfully happy with our location and the ease of access to information through our catalogs and app. The only problem we had was parking because so many people came out. But we'll have more room available next year as this sale continues to grow."
