

# SRF seeks breeding donations

January 7, 2020, from the Standardbred Retirement Foundation

**Cream Ridge, NJ** — The Standardbred Retirement Foundation seeks tax-deductible donations of breedings to help the 380 trotters and pacers under its expense and care.

SRF is the largest, most productive, Standardbred exclusive non-profit in the United States caring for 350 percent more trotters and pacers than any other organization. Ninety percent of the support to care for these horses comes from the generosity of individuals.

Why SRF needs your help. It's different:

- SRF follows up semi-annually on every adoption for life so no horse is ever at risk.
- SRF cares for 380 more horses every day than any other Standardbred exclusive organization.

Your support through tax-deductible breeding donations, or with a tax-deductible gift is much needed and appreciated.

Please support this vital fundraiser.
