

## **Yonkers to alter schedule for International, details on Sires Stakes detention**

**by Frank Drucker, Publicity Director, Yonkers Raceway**

**Yonkers, NY---**Yonkers Raceway is altering its live racing schedule to accommodate New York State's pre-race protocol for both the \$1 million Yonkers International Trot and the \$1.8 million New York 'Day' of Champions.

The afternoon card of Saturday, Oct. 14th (post time TBA) requires the paddock be used for the state-mandated, 30-hour detention. Thus, Friday the 13th has been cancelled (not the fears and phobias, just the races).

The Raceway has added Thursday evening, Nov. 2nd, as a make-up program, with a usual first post of 7:10 p.m. The changes to the schedule have been approved by the New York State Gaming Commission.

Additional information regarding the \$3.3 million Yonkers International Trot/'Day' of Champions program shall be sent when available.
